

Emergency First Aid at Work (1 day)

Printed on 4 February 2026

This accredited First Aid training course will teach you how to deliver basic First Aid in emergency situations, including how to perform CPR and use a defibrillator. It is suitable for people working in lower risk environments. If you are a higher risk environment then see our more detailed [First Aid At Work 3 day course](#).

Location	St. David's Dewi Sant Shopping Centre, Cardiff
Course length	1 day
Cost	£85.00 (ex VAT) , £102.00 (inc VAT)
Prerequisites	Be 16 years of age or older
Validity of award	This qualification is valid for 3 years.

Topics

- Understanding the importance of preventing cross-infection
- Understanding the need for recording incidents and actions
- Safe application and use of an AED (Automated External Defibrillator)
- Assessing the situation and circumstances in order to act safely, promptly and effectively in an emergency
- Administering first aid to a casualty who is unconscious, having a seizure, choking, wounded and bleeding or suffering from shock
- Administer cardiopulmonary resuscitation (CPR)
- Provide first aid care to a casualty for minor injuries including small cuts, grazes, bruises, minor burns, scalds and small splinters

Assessment

- Continual assessment by the tutor
- Complete a worksheet during the course

Additional information

There is an optional recommendation of attending a short First Aid Refresher annually. This course is held in a central Cardiff location.
