## Topics

This re-qualification course covers the contents of the 3 day First Aid At Work course in two days.

## Assessment

- Tutor assessed through practical demonstrations
- Completion of a multiple-choice theory assessment

## Additional information

You must have a valid First Aid At Work certificate, or the certificate must be within a month of expiry. The First Aid At Work certificate is valid for 3 years after successfully completing the course.

If you have a qualification gained from a different certifying body we can requalify you as long as we are provided with a copy of your current certificate prior to booking your place.

If you are unsure about the validity of your First Aid At Work certificate please contact us.

Valid for 3 years. Must be re-validated on another two-day refresher course. Annual refresher courses are also available if you would like to refresh your skills in the meantime.
